

Earn 5,000 points

Two ways for your travellers to earn Marriott Bonvoy points this year — one for staying with us, one for sending someone our way.

ONE

Stay with us

5,000 bonus points per stay. Every stay that actualizes earns 5,000 points. A stay is any run of consecutive nights.

TWO

Refer a guest

5,000 bonus points per referral. Refer someone who books and completes a stay with us, and you earn another 5,000 points.

**Stays must be completed by 31
December 2026**

Points are awarded after the stay actualizes. Cancelled and no-show reservations do not qualify.

HOW TO CLAIM

1. Give your Marriott Bonvoy number when you book — or join at the front desk, it takes a minute.
2. For a referral, email me the guest's name, company and approximate dates before they arrive.
3. Points post to both accounts after the stay is completed.
